Artist Notifications:

Your Fans want more of YOU!

Post your music, videos and pictures on your own PickleJar channel. Your Channel, Your Content!

Earn on Social Media!

Find your PURL in your PickleJar artist profile and add it to your social media bios to let all your fans know where to find you! You could earn extra cash!

Artist Referral Bonus

Do you know an artist that is not on PickleJar? Get them to sign up and use your Stage Name @Handle as their Referral Code and YOU get bonus cash! Keep fillin' the jar!

Perform for a cause

Do you have a cause close to your heart? You can help support them by splitting tips with an association during a performance! Just create your next performance, select the beneficiary of your choice and let your fans know to support!

Promote new content

Hey artists! You can promote your new single, music video and more all in one place on PickleJar! Just upload it into the Media section of your profile and your fans can start tipping you for your content. Get it added today!

Earn Bonus Cash

Artists! Earn \$25 extra in Bonus Cash after receiving \$20 or more in your first 5 tips. Getting earning now!

Fan Support

Hey artists! Make sure you are telling your fans about PickleJar during your performances so that you can earn even more and give them exclusive content!

Keep Filling the Jar

Don't forget!! You can earn even more by completing Achievements in the PickleJar app. Check out exactly how in the Achievements section in the app.

Custom Notes

Set up your custom notes to help get your fans more involved in your next gig! Not sure what to put? Try this for your next show: "Bring a fan on stage - \$100."

Artist QR and PURL

Fans can easily find your profile and send you a tip by using your PURL or scanning your QR code. Find them in your artist profile and start sharing them today!

Fund your next project

PickFunder is the best way to raise money for the tour bus you've been dreaming about! Create your first project today: PickFunder.com.

No more soggy dollars

Forget the hassle of having to separate dollars after a performance and easily split tips with your entire band before you even get on stage. Create your Group Stage Name today!

Create a performance

Artists! Don't forget to create performances for all of your upcoming shows this weekend. Hit that "Go Live" button before you go on stage to automatically see all tips and notes that you receive while you're performing.

Editing a performance

Plans changed for an upcoming performance? You can easily edit your performance information in the app by clicking on the edit and hitting that edit button.
